STEP ONE

Get a group chat going,
and assign each friend a
Bake Off weekly theme
for their bake.

STEP TWO

Roll out your gingham table cloth for your judging table.

Set up your bakes, their name cards, and your collection box and don't forget to download our handy score card.

STEP THREE

Pop the kettle on, and bring together your friends, family or colleagues.

Score each bake. Give out a few 'Hollywood handshakes' and extra points for Bake Off innuendos!

Tot up the scores and crown your Star Baker.

Make sure to tag us in your
Bake Off Cake & A Cuppa
pics! We'd love to see!

You're all Star Bakers to us
